REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Welcome to Woodruff Elementary School. On behalf of our faculty and staff members as well as our School Improvement Council, thank you for your support. You play a critical role in ensuring continued success for WES students. Our school is reflective of an exceptional learning environment composed of talented students, committed family members, and dedicated faculty and staff members.

Our vision at WES is to engage our students in meaningful learning experiences for the purpose of developing social, emotional, physical, and intellectual talents and abilities during their educational journey and throughout their lives.

We continue to offer various educational experiences and opportunities to support our school vision. These experiences are offered during the school day as well as before and after school hours. Our After-School Focus Program is designed to offer academic assistance to students in reading and mathematics. The Rising Stars Program serves over one hundred students annually in all grades. It is also an academic program.

Extra-curricular activities at Woodruff Elementary include two 4-H after-school clubs, Steel Drums (WES Panhandlers), Girls Basketball Club, as well as gifted and talented programs. Students participate as Student Council members, News Crew reporters, and Flag Attendants.

All programs are designed to meet the academic, emotional, and social needs of our students. We also believe children should develop compassion for others in our community. Through student council and SIC events, our students participate in quarterly service learning projects throughout the school year. Students, parents, and staff members donate generously to local non-profit organizations during our “Spirit Days”. We appreciate the role adults in our school community play to encourage and model civic-minded behavior in our students.

For the second consecutive year WES was recognized by the South Carolina State Department of Education as a Palmetto Gold Award Winner. This award recognizes schools that demonstrate significant student achievement on our state’s PASS assessment. Additionally, for the third consecutive year our school was recognized with the Palmetto Silver Closing the Achievement Gap Award. The Closing the Achievement Gap Award is also a State Department recognition. We are proud of the academic accomplishments of our students.

Woodruff Elementary values the support of the school PTO and SIC members. Their input is a vital component of the decision-making process in our school. These organizations work diligently to foster business alliances that benefit our students. By working collaboratively, we continue to strengthen our community bonds. Woodruff Elementary School is grateful to serve you.

Argyl J. Brewton, Principal, Woodruff Elementary School
